I thought this hat looked cute, I found it while visiting earth.
It's from 'baseball.' Do you like baseball?
A. No, not really.
B. Yes.

Oh... I don't really care for it.
I just like that the hat matches me.
Hmm. What would you rather see me in today, my suit or my loincloth?
A. Your loincloth.
B. Your suit.

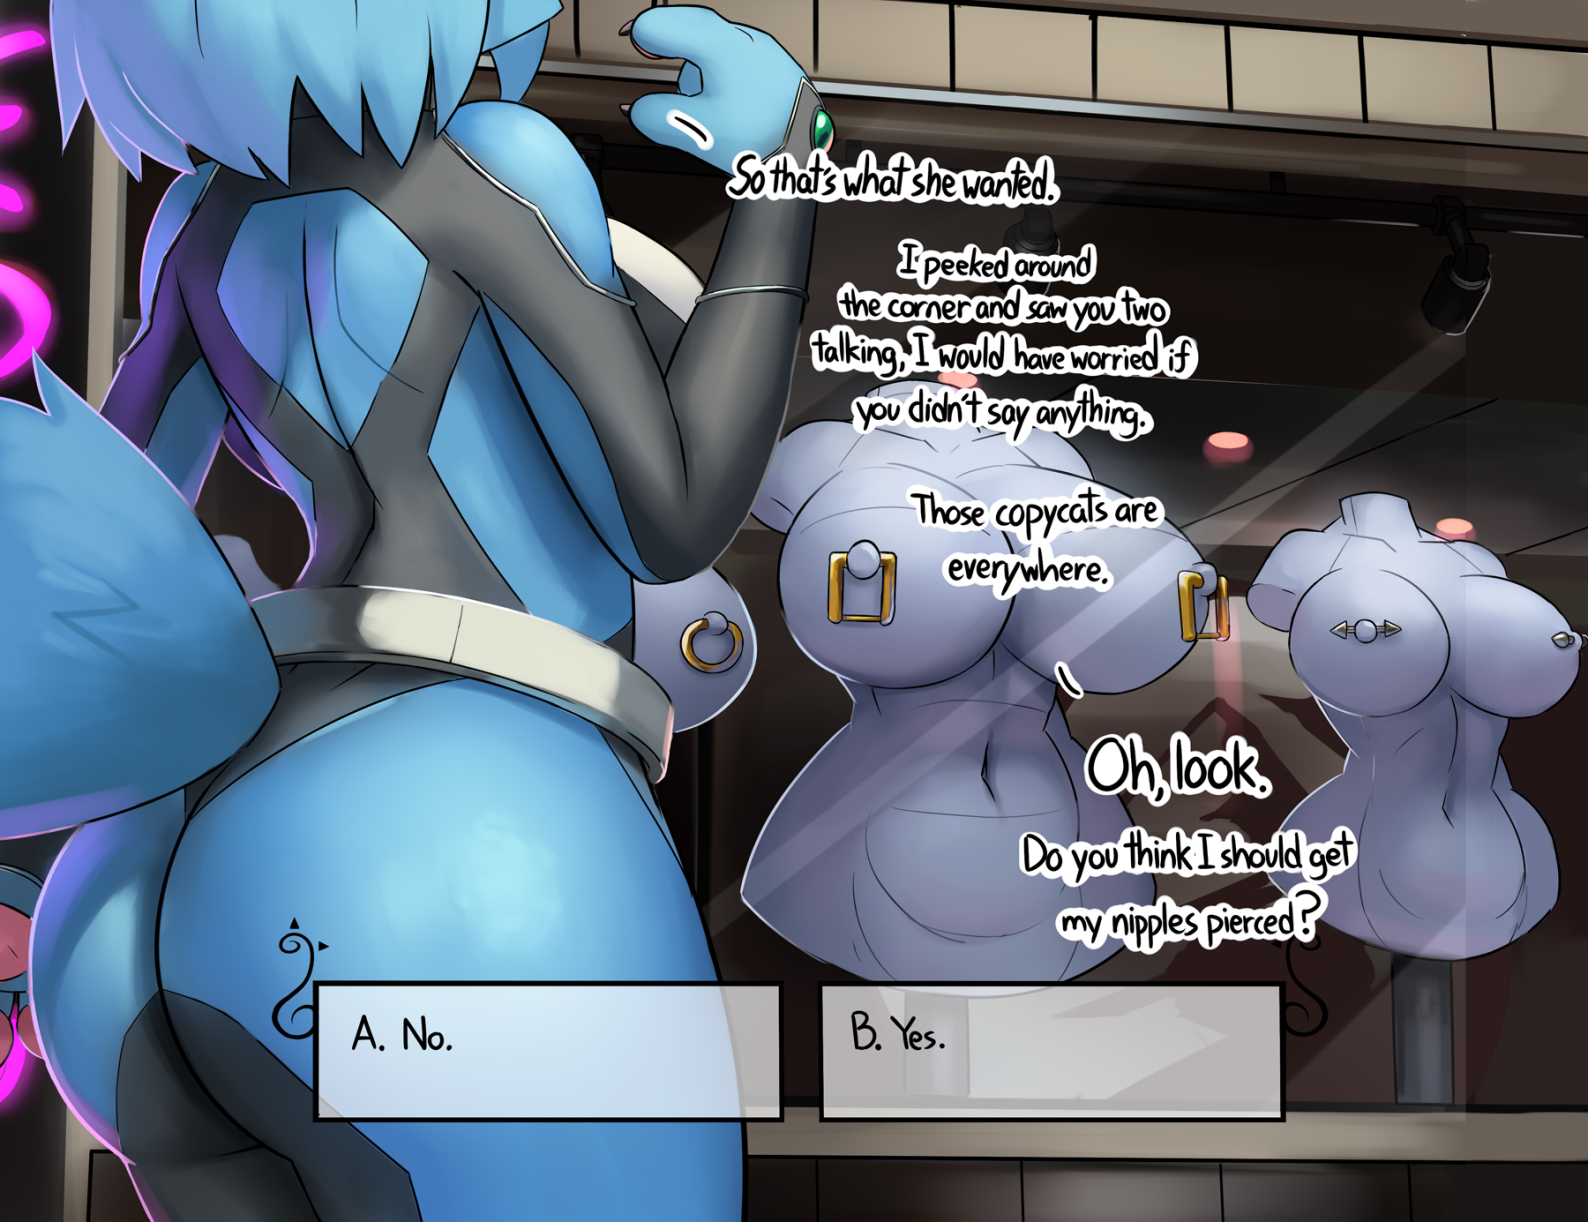
I won't make you follow me into the girl's clothes shop.
Just wait here while I borrow their changing room.
Don't run off, okay?
A. Run off.
B. Stay and wait.

I'm baack!
Miss me handsome?
You wanted to see me in my loincloth, right?
I know, how about we go someplace more private?~
A. "Sounds great. Lets go."
B. "You're not Krystal."

Of course I'm Krystal,
and I'm so much more.
This body can
fulfill your every desire.
Drink up, be a good
boy for Mommy.
A. "I'll be good."
B. "Begone."

Alright, I'll leave you be, darling.
But I'll be back.

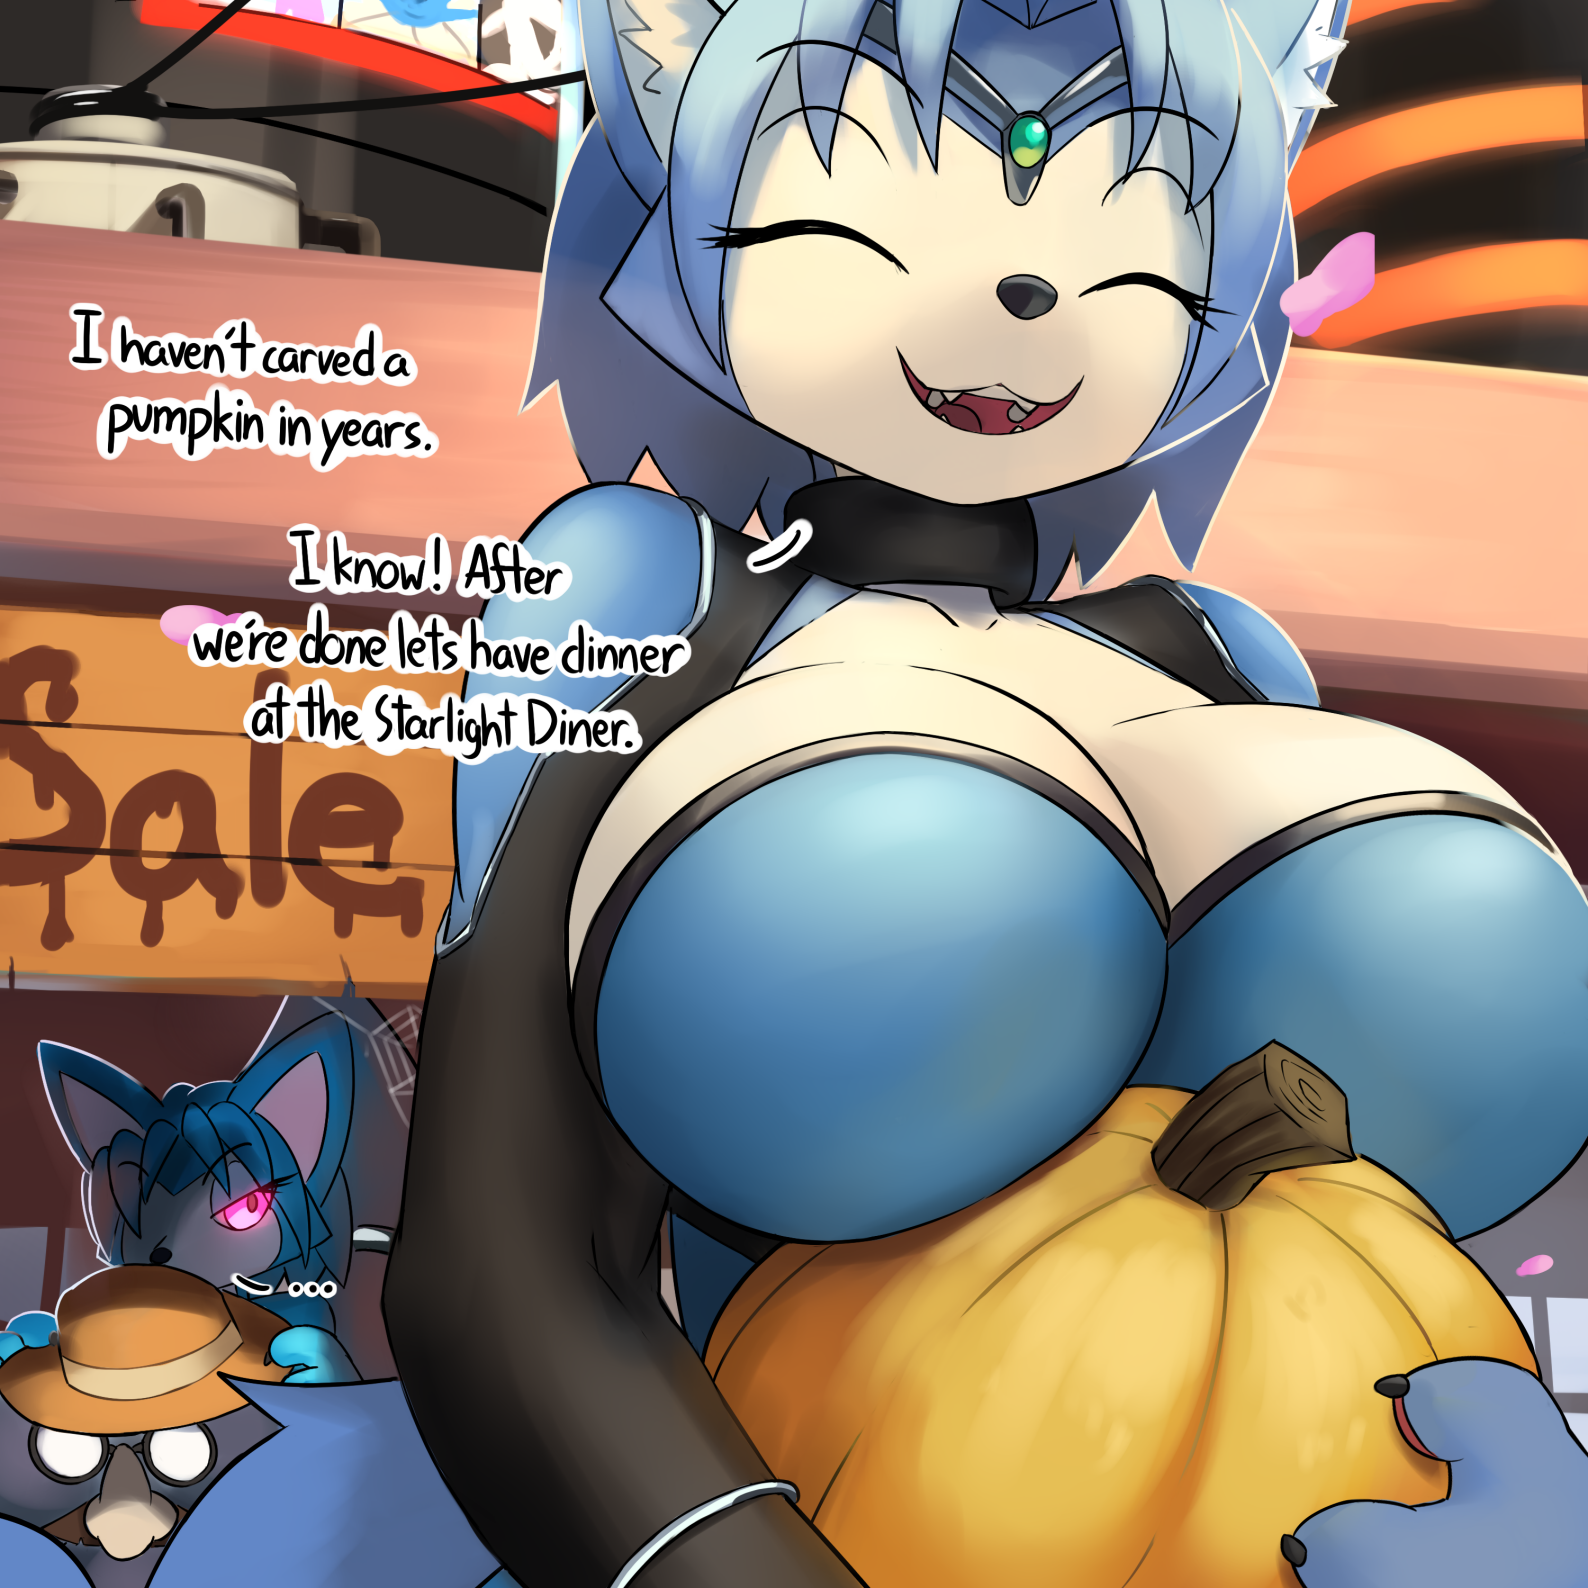
Miss me?
Sorry I kept you waiting, lets get going.
Did anything happen while I was gone?
A. "A fake Krystal tried to date me."
B. "Nothing happened."



So that's what she wanted.
I peeked around the corner and saw you two talking, I would have worried if you didn't say anything.
Those copycats are everywhere.
Oh, look.
Do you think I should get my nipples pierced?
A. No.
B. Yes.

You're no fun.
We're almost back to my place... hmm, I don't remember that stand being there...
A. Go to Krystal's apartment.
B. Go to the pumpkin stand.

Good day!
It's not too late to get pumpkins to carve for Halloween.
I have two here with your names on it. What do you say?
A. Get the pumpkins.
B. Warn Krystal this is her imposter.



I haven't carved a pumpkin in years.
I know! After we're done lets have dinner at the Starlight Diner.
Sale

You look a little pale, you're okay right?
Anyway, lets make our carvings and show each other after we're done.
A. Make a scary face.
B. Make a funny face.

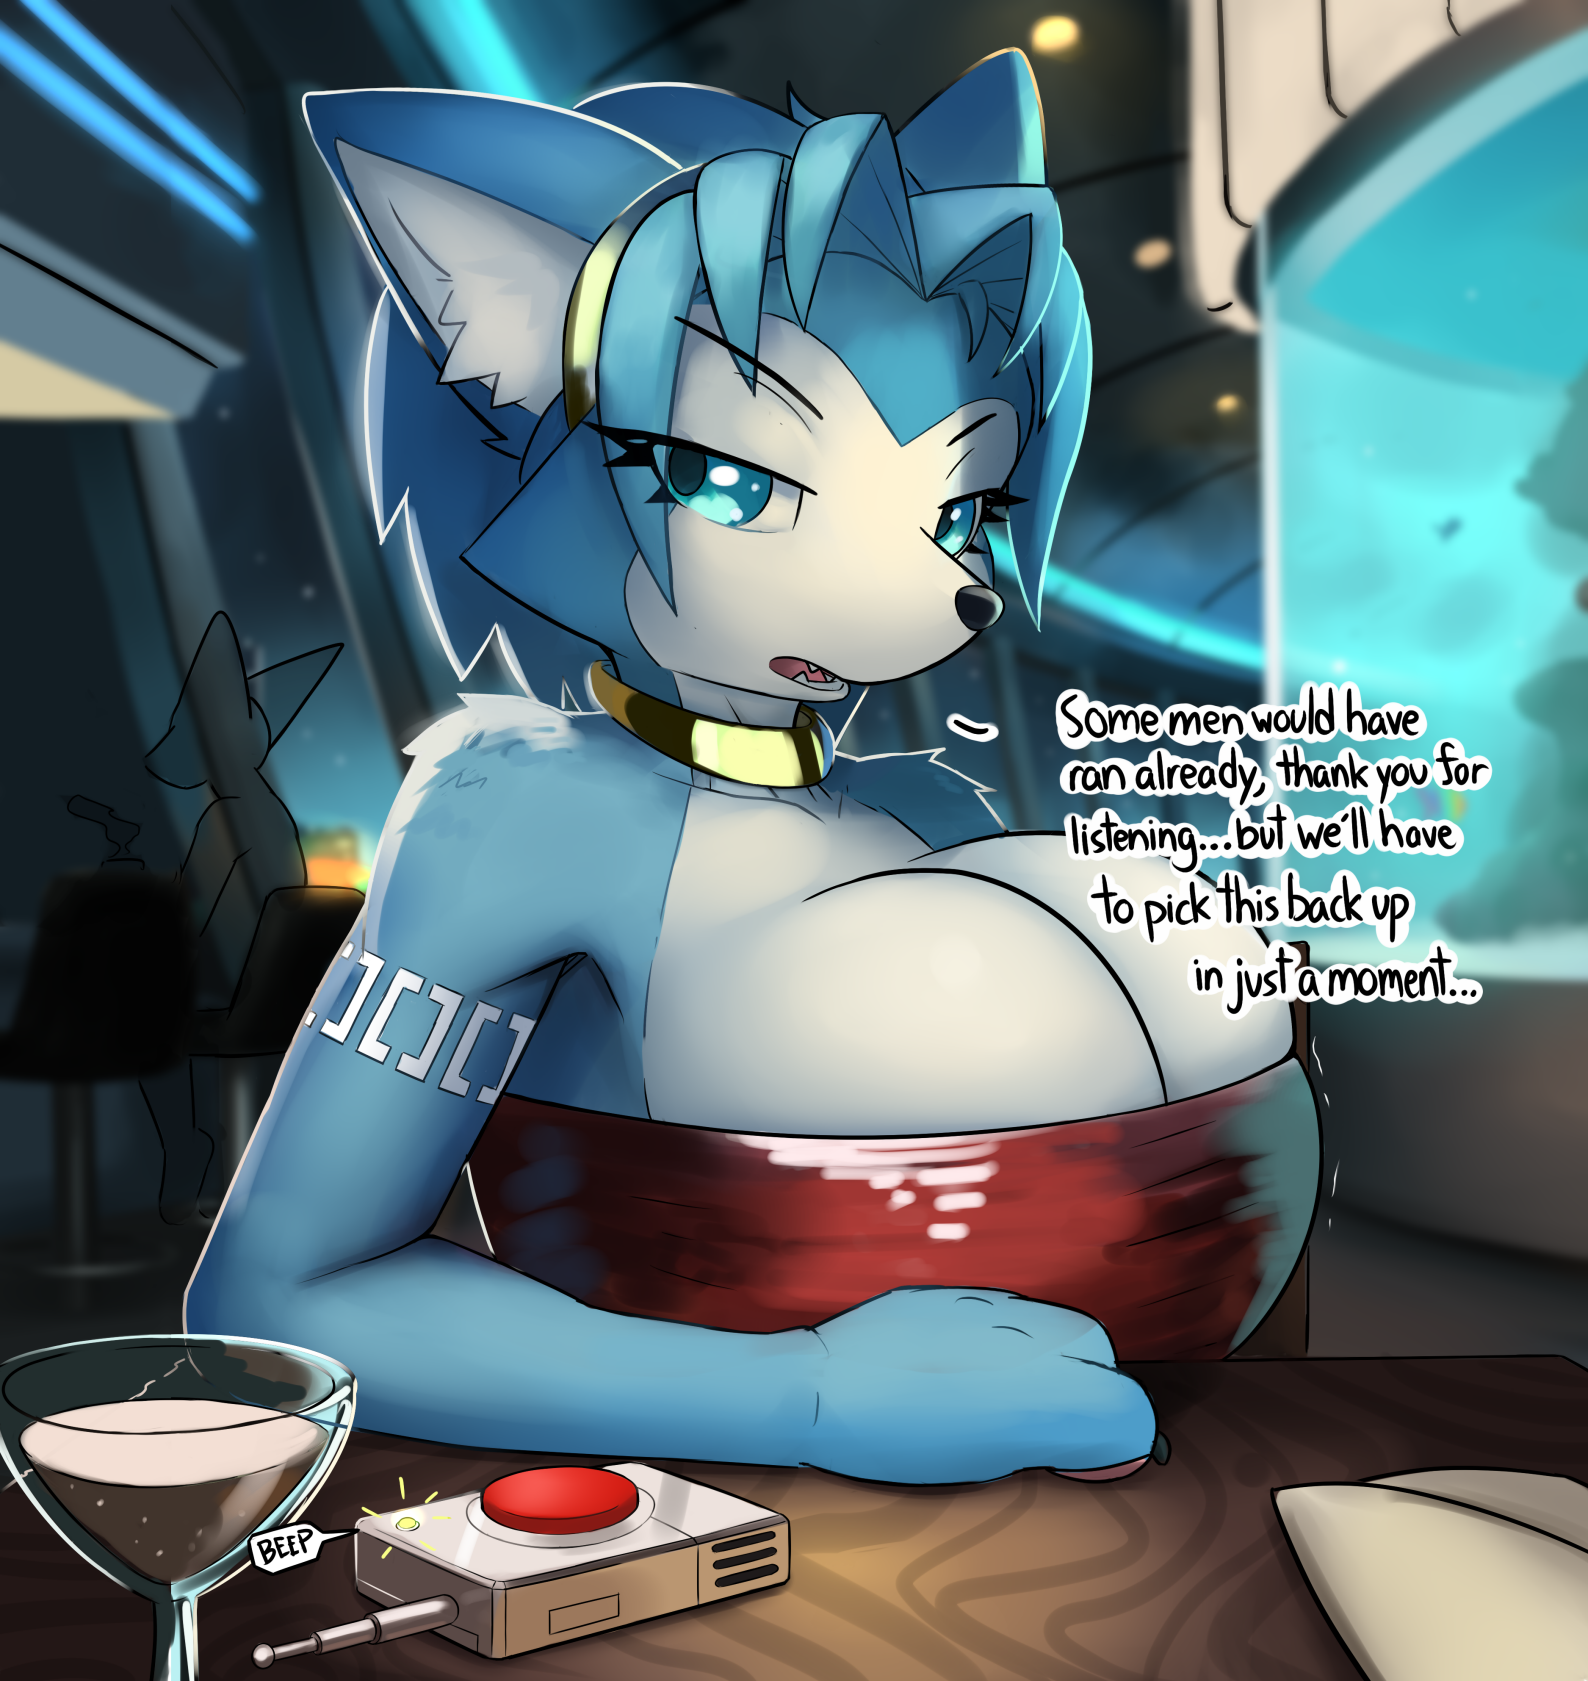
You're already done?
I'm still working on mine, don't peek.
By the way, should I go out tonight in this suit, or put on a fancy dress?
A.`Keep your suit on.´
B.`Put on a fancy dress.´

All done!
Oh! Ha ha, yours is so silly.
You like carving pumpkins, don't you?
We should keep them around after Halloween, it'd be a shame to only have them out a day.
Okay, wait here, I'll change for dinner.
A. Admire the pumpkins until Krystal returns.
B. Look around her apartment.

Oh, so this is where you wandered off to.
We better get going,
it will be hard to get seats
if we dilly-dally.
BOOGIE INC
A. Agree to go.
B. Suggest it's been a long day and calling it a night.

I've wanted to come here, thank you for taking me.
So... what are you thinking about?
A. `I'd take a look behind you.'
B. `You have beautiful eyes.'

Thank you dear. I'm sure you're wondering about what you saw on the bulletin board in my apartment.
Every time you come here, you order an Irish coffee.
This late, no less.
The shit you people do instead of sleeping...
To tell the truth, I've been commissioned by Boogie Inc to make a mask in my liking.
Since we're still in trial, there are problems. The fakes are steadily losing their minds, they're starting to think they're really me.
A. `I don't think this is going to work out.'
B. Keep listening.



Some men would have ran already, thank you for listening... but we'll have to pick this back up in just a moment...
BEEP

Caught you!
I knew you'd try to rob my date.
Lets have a close look at the merchandise.

A little big here, but I think I did really good on this one, don't you think?

I had a good time with you today, but sometimes we didn't seem like the right fit.
Don't do it... I'll be a good Krystal, promise.
Please don't...

You can lay my concerns to rest by pushing that button.
When you do, these fakes' brains will be fried. This makes the goop removable while leaving its bug data intact. Safer removal methods destroys that data.
Worried about her? She should be fine. If she's tougher than the lab rats I tested this on anyway.

You've passed my test... New boyfriend.
